

Welcome to The Pig & Tinder Box.

Since 2015 we have brought a fun, casual and energising drinking and dining experience to Tamworth locals and the droves of visitors that travel to the New England region.

Our food philosophy is born out of our enjoyment for sharing the everyday celebration with friends & family. Put simply, our menu is best shared, and we encourage you to order for the table so you can savour as much of our carefully assembled menu as possible.

We have curated a drinks list to partner our food. Wines are sourced locally, from across Australia and corners of the World. On trend and classic cocktails, local craft beers and more are on hand to kickstart or compliment your night.

Finally, if making decisions is not your strong suit then let our chefs do the work for you. The Pig's 'Feed Me' menu will take you on a journey through our favourite dishes, sampling the best of our shared menu.

If you have any questions our friendly and knowledgeable team of staff are here to help. Thanks for having a drink with us at The Pig.
